COMPLETE MUSCLE MATRIX

INCREASE TESTOSTERONE & LIBIDO, NATURALLY

WHY CHOOSE US?

• INCREASE STRENGTH

Key ingredients to help naturally boost testosterone levels, which gives you more strength & energy to get through your workout.

• BOOST ATHLETIC PERFORMANCE

Key ingredient, Long Jack Root, helps increase energy, improve athletic performance, and helps reduce body fat.

• INCREASE TESTOSTERONE LEVELS, NATURALLY

White Button Mushroom Extract helps to decrease estrogen levels by inhibiting the activity of the aromatase enzyme to boost test levels & reduce catabolism.

• MUSCLE GROWTH & ENHANCED ENERGY

Promote lean muscle mass growth and muscle recovery. This formula helps to support muscle strength for a stronger, longer, and more intense workout.

FAT INCINERATING
WEIGHT LOSS MATRIX

INCINERATE FAT CELLS

CONTROL APPETITE • BURN FAT • ENHANCE ENERGY

WHY CHOOSE US?

• BOOST METABOLISM

Formulated to help improve and maintain a healthy metabolism by targeting fat cells and helping your body burn calories faster.

• INCREASE FAT LOSS & ENERGY

Targets fat cells to minimize body fat storage. Helps to burn fat and encourage healthy weight loss while increasing all day energy and mental focus.

• LEAN MUSCLE GROWTH

Key ingredients L-Carnitine & L-Tartrate helps to aid in muscle recovery and lean muscle mass growth.

• WEIGHT MANAGEMENT

Helps to curb your appetite and calorie intake control while boosting your metabolism to help support healthy weight loss.

 Formulated with 20g protein, 11g BCAA's/EAA's, and 24g carbs to help your body replenish.
- AMAZING TASTE**
 Available in 4 delicious flavors: Watermelon, Fruit Punch, Orange Mango, & Mixed Berry.
- ENHANCED RECOVERY & ENERGY**
 The BCAA/EAA blend helps rebuild muscles and allow them to recover more quickly. Replenish also contains added carbs to help restore glycogen and combat fatigue.
- INCLUDES ADDED ANTIOXIDANTS**
 Formulated with 853g of Antioxidants to help improve the body's immune system, overall immune health, and fight off free radical damage.

REPLENISH 2.0 LB

For proper restoration of muscle fibers, 24g of unrefined carbs sourced from evaporated cane juice will facilitate the use of unrefined sugars for muscle recovery and prevent muscles from being broken down further as the source of energy for recovery. With the addition of antioxidants, coupled with Creatine MagnaPower®, not only does Replenish fight off free radical damage caused by intense workouts, but also aids in regeneration of ATP stores and helps refuel your muscles for optimal recovery and results without bloat or water retention. Optimize your workouts with Replenish.

Ingredients: Protein Blend (Whey Protein Concentrate, Whole Milk Protein, Micellar Casein and Whey Protein Isolate), Carbohydrate Blend (Fibersol 2, Flaxmeal Flour, Evaporated Cane Juice and Oatmeal Flour), Medium Chain Triglycerides, Natural Flavors, Sodium, Sucralose and Digestive Enzyme Blend (Protease 1, Protease 11, Amylase, Lipase and Lactase).

Contains Milk, Soy and Sunflower lecithin. Produced in a facility that uses soy, peanut, tree nut, egg, milk, and wheat.

WHY CHOOSE US?

- ULTIMATE MEAL REPLACEMENT
- ADVANCED PROTEIN BLEND
- AMAZING TASTE AND HEALTHY FATS
- SUSTAINS ENERGY

SUPER-LEAN 2.5 LB

The perfect 'meal in a glass' - G6 SuperLean provides the optimal combination of carbohydrates, protein and fats to help you reach your training goals. Sourced from oat flour, flax-meal and evaporated cane juice - SuperLean delivers low glycemic carbohydrates that provide sustained energy throughout your day and workout. Whey protein provides immediate satiation and a quick absorbing source of nutrients for your muscles while micellar casein provides a slow-release source of protein to keep you fueled for hours. The macronutrient profile is completed with healthy MCT fats which promote blood sugar regulation, improve metabolism and control appetite - with the addition of 25 vitamins and minerals, SuperLean is the ultimate meal replacement.
